Hi Kevin,

Yes, EPA is planning on having the call Thursday, July 26 at 9:30central/10:30 eastern. The call in number should have been in the original invite but just in case I've included the call in number and code below. Mike Berman and JT Morgan will be on the call for EPA. I am out of the office and unable to participate. I will meet with Mike next week when I return to the office and complete any follow up with you that is needed.
